

PHILIPS GARDCO

A seminar experience for Lighting Professionals

Covering the principles of outdoor site,
pedestrian and building lighting

Who Attends?

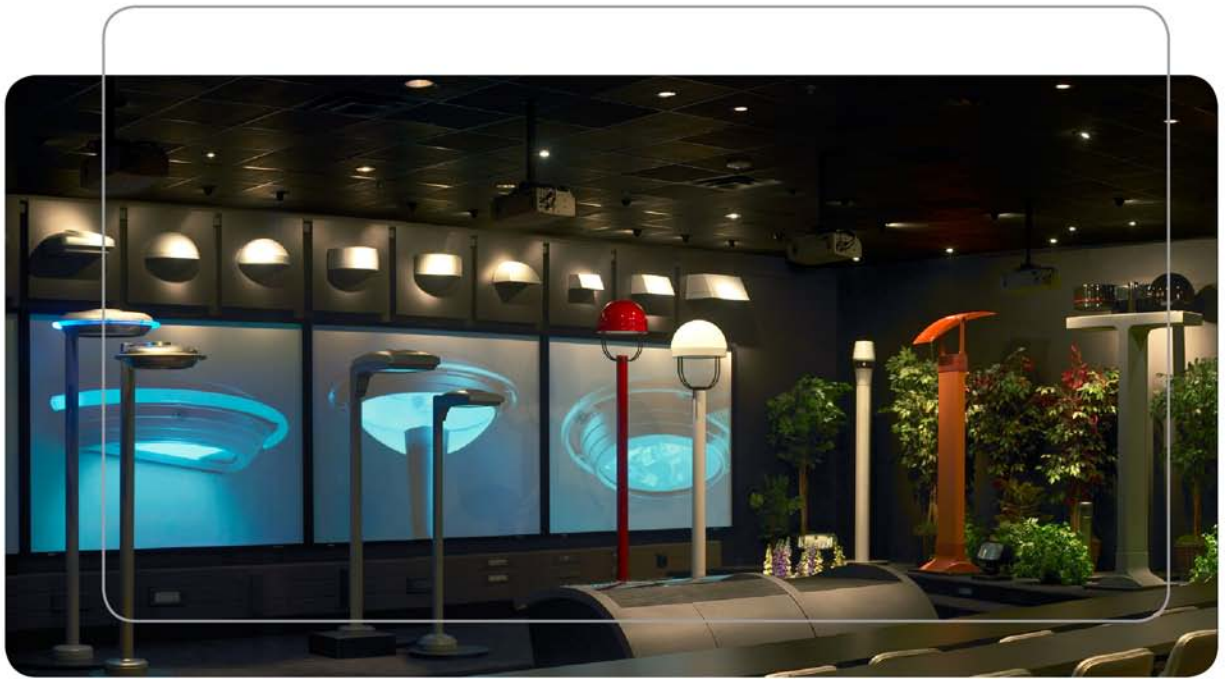

This program is designed for consulting electrical engineers, architects, landscape architects and commercial lighting consultants. A basic familiarity with photometry is recommended, although not required.

How Do I Register?

Availability for Philips Gardco seminars is limited. Please contact your local representative for specific dates and space availability.

Where are the Seminars Held?

The seminars are held at the Philips Gardco Outdoor Lighting facility in San Marcos, Texas, located just South of Austin, Texas.

Presentation Topics Include...

- Fundamentals of Outdoor Lighting
- Introduction of Optical Design
- Luminaire Design Philosophy
- Site Analysis and Establishing Design Criteria
- Table Top Comparisons and Evaluations of Luminaires
- Behind the Specifications: Manufacturing Processes and Materials
- Philips Gardco Product Overview
- Website Training
- Industry certified presentations
- CEU accredited presentations (CEU hours vary by seminar, minimum 3 hours)

Facilities Tour Includes...

- Photometric and Testing Labs
 - Visit our UL certified laboratory
 - See photometric, thermal and rain tests in process
 - Learn about IP Ratings
- Manufacturing Plant
 - 260,000 square foot operation where you will observe the polyester powdercoat finishing system, spinning and the paint line.

New Product Design Studio

- See new product concepts
- Give us your feedback
- Vote on products with automatic results

Stay the Weekend in Austin...

As part of your seminar experience, Philips Gardco extends an invitation for you to stay the weekend. This is just our way of saying thank you for taking time out of your busy schedule to visit us in Texas. After the seminar concludes on Friday afternoon you have the choice of returning home or staying the weekend in Austin.

Philips Gardco covers the cost of your hotel room for both Friday and Saturday nights. We will work with you to tailor a weekend full of exciting "Austin" activities. Whether you want to listen to live music, eat at an authentic Tex-Mex restaurant, shop at one of our eclectic boutiques or catch a football game, we will ensure that you have a great weekend.

Contact Philips Gardco...

If you have any questions about your trip to the Philips Gardco Outdoor Lighting facility you can contact your local Philips Gardco representative or email Gardco_Marketing@sitelighting.com.
